Continuation of Substance of Interview including description of the general nature of what was agreed to if an agreement was reached, or any other comments: The applicant's representative contacted the examiner to discuss the office action filed 08/25/04. Particularly, the applicant's representative wanted to verify that the office action was of a non-final status because on page 9 of the examiner's office action, the examiner inadvertently indicated it was final. The examiner checked the status of the case and assured the applicant's representative that the action was counted as a non-final office action and to just disregard the conclusion statement on page 9 of the examiner's office action..
